METAL LEGS AND BASES FOR FURNITURE

ABOUT US

We are pleased to introduce you to our company as one of the most dynamically developing companies in Poland.

Luupo is a company based in Lubicz near Toruń, specializing in the production of a wide range of products including a catalog of carts, lifters, hinges, as well as legs and bases for upholstered and non-upholstered furniture.

We supply our products to many countries in Europe. Both domestic companies located in Poland and those outside our country, such as sunny Portugal and picturesque Romania, **benefit from our long experience. We are a leading supplier to top furniture manufacturers in Poland and Europe.**

We have a specialized **design department, a prototyping shop and our own locksmith and powder coating shop.** This ensures high production efficiency and detailed quality control of our products at every stage of production.

If your company needs reliable access to top-quality furniture solutions and the support of experienced experts, Luupo can help you realize your greatest projects. **We are open to individual projects and customer realizations.**

Feel free to contact us directly. Together we will take a closer look at your case.
